ACTIVITY PROPOSAL

I. Project/Activity Information

- a. **Title:** Joint Risk Resiliency Program through Cash-for-Training/Work (RRP-CFT/W) PLGU-MLGU Forum cum Consultation and Planning for CY 2024 and Program Implementation Review for CY 2023
- b. **Duration:** May 7 – 11, 2024
- c. **Venue:** Butuan City
- d. **Participants:** 43 LGU Focal Persons
25 City/Municipal Focal Persons
15 Provincial TWG members
1 DRMD Chief
1 DRRS Head
15 RP Staff
3 LMT
5 NGA Representatives
3 DSWD Central Office
- e. **Budgetary Requirement:** ₱ 308,800.00
- f. **Source of Fund:** DRMD Training - DRRP-CFT/W

II. Rationale

The Risk Resiliency Program – Cash-for-Training/Work (RRP-CFT/W) strategically focuses on fortifying the resilience of natural ecosystems and enhancing the adaptive capacity of vulnerable groups and communities in the face of both short and long-term risks. Specifically targeted at Caraga Region, encompassing areas within the Mindanao major river basin, the program aligns with broader initiatives supporting rehabilitation and protection efforts within these critical river basins.

As a key component of the Climate Change Adaptation and Mitigation-Disaster Risk Reduction (CCAM-DRR) Cabinet Cluster, RRP facilitates coordinated planning and budgeting for climate resilience investments at the national level. Since its initiation in 2018, the program has steadily evolved, benefiting a growing number of Caraganons, with 35,297 beneficiaries and a substantial investment of Php 123,539,500.00 in 2023.

Recognizing the need for enhanced coordination, the current and upcoming cycles of RRP implementation shift their focus in addressing food security and water scarcity exacerbated by climate change and disaster. The Department recalibrated the RRP-CFT/W activities to align its mandate to alleviate hunger and poverty. This initiative is

anchored in the Philippine Development Plan (PDP) 2023-2028, Chapter 15- Climate Resiliency as well as the administration's priority agenda, "Walang Gutom 2027." This transition necessitates a clear delineation of roles for the Department of Social Welfare and Development-Disaster Risk Reduction and Management Division (DSWD-DRMD) and target LGUs, emphasizing their pivotal roles in project preparation, integration, implementation, monitoring, and evaluation.

Acknowledging this evolving landscape, it becomes imperative to conduct activities that ensure the effective implementation and realization of the DSWD mandate and program objectives, as outlined in this proposal.

III. Legal Bases

DSWD is primarily mandated to develop, implement and coordinate social protection and poverty reduction solutions for and with the poor, vulnerable and disadvantaged. Below are the Legal Bases for the RRP-CFT/W Implementation:

- a. **Sustainable Development Goals** (No. 1 - "End poverty in all its forms everywhere"; No. 2 - "End hunger, achieve food security and improved nutrition and promote sustainable agriculture"; and No. 13 - "Take urgent action to combat climate change and its impacts");
- b. **Philippine Development Plan 2023-2030** (from Action to Plan - Chapter 15 "Accelerate Climate Action and Strengthen Disaster Resilience");
- c. **National Climate Change Action Plan 2023-2028** (which prioritizes food security, water sufficiency, ecological and environmental stability, human security, climate-smart industries and services, sustainable energy, and knowledge and capacity development as the strategic direction for 2011 to 2028);
- d. **Republic Act No. 10121** (*The Philippine Disaster Risk Reduction Management Act of 2010*) institutionalizes the National Disaster Risk Reduction Management Plan that sets out goals and objectives to focus on reduction and management of disaster risks;
- e. **Republic Act No. 9729** (*Climate Change Act of 2009*) institutionalizes the National Framework Strategy on climate change setting the goal to build an adaptive and resilient communities and natural ecosystems;
- f. **Executive Order No. 24, Series of 2017** (*Reorganizing The Cabinet Clusters System by Integrating Good Governance and Anti-Corruption in The Policy Frameworks of All Clusters and Creating the Infrastructure Cluster and Participatory Governance Cluster*) integrated policies and programs on climate and disaster risk management and sustainable development through effective services delivery; and
- g. **General Appropriations Act (GAA)** provides for budgetary support to PPAs of government agencies for a specific year;
- h. **DSWD Memorandum Circular No. 04 series of 2021**, or the "*Enhanced Guidelines on the Implementation of the Cash and Food-For-Work, Training, and Caring for Disaster Risk Reduction and Management*";
- i. **Administrative Order No. 11, series of 2022** (*Adopting the DSWD Refreshed Strategy 2028*) considered the Disaster Management Roadmap in addition to the core processes of the Department aiming to enhance the DSWD response capacities towards improved disaster response

capabilities. Essentially, this roadmap is contributory to the Department's strategic rowing focus in direct administration of disaster management programs and services;

- j. **Commission on Audit Circular No. 94-013, series of 1994 (Rules and Regulations in the Grant, Utilization and Liquidation of funds transferred to Implementing Agencies); and**
- k. **Risk Resiliency Program Operations Manual, and Monitoring, Evaluation, and Reporting (MER) Framework.**

IV. Objectives

Performance Objective

This activity aims to provide orientation on the Risk Resiliency Program and its implementation processes to the LGU Technical Working Group Members and the DRMD Staff. This activity will strengthen the partnership and inclusiveness of the LGUs and Partner National Government Agencies in the implementation of the RRP-CFT/W for Cycle Year 2024.

Enabling Objectives

1. To orient the participants on RRP-CFT/W, its coverage, objectives, legal bases, and modality;
2. To present the implementation guidance of RRP-CFT/W for 2024, workforce composition, roles and responsibilities of implementers and partners (TOR);
3. To conduct workshop in accomplishing the baseline Monitoring and Evaluation Report (MER) template with the technical assistance of assigned PDOs/provincial focal;
4. To present the outputs of each LGU for discussion and critiquing;
5. To conduct open forum to address the queries, issues and concerns of the LGUs;
6. To prepare an action plan as part of the ways forward to guide parties (based on the implementation processes and procedures of RRP-CCAM and MER targets); and
7. To provide avenue for the TWG members and other stakeholders to share good practices in the challenges, recommendations and implementation of the RRP-CFT/W.

V. Expected Outputs/Outcome.

Participants are expected to participate to the workshop and submit an Action Plan as the ways forward for the CY 2024 program implementation. An Executive summary with photo documentation from the activity will be submitted which will reflect the topics discussed and the agreements reached with the photo documentation. The attendance filled out by the participants will also be submitted.

VI. Budgetary Requirement

Reflected on the table below are the budgetary requirements for the realization of the Joint PLGU-MLGU Forum cum Consultation and Planning for CY 2024 and Program Implementation Review for CY 2023:

PARTICULARS	QUANTITY	UNIT COST	AMOUNT
DAY 0 - Ingress (Arrival of RPs from CO)			
3 Meals (Breakfast, Lunch, and Dinner) 2 Snacks (AM and PM) with Billeting	3 RPs from Central Office TOTAL: 3 Pax	₱ 2,000.00	₱ 6,000.00
1 Meal with Billeting	5 PDI 5 SDS 5 SDN TOTAL: 15 Pax	₱ 1,200.00	₱ 18,000.00
SUBTOTAL			₱ 24,000.00
Day 1			
3 Meals (Breakfast, Lunch, and Dinner) 2 Snacks (AM and PM) with Billeting	3 RPs from Central Office TOTAL: 3 Pax	₱ 2,000.00	₱ 6,000.00
